There is nothing like a swimming pool with wood decking. Relax after a long day or sun bathe with your friends during the weekend, this new addition at Sunrise Bay will charm your pool experience. The high-quality finish of the deck gives a pleasant feel and is the latest Insta-worthy spot around.

Whats new?

New notice boards are installed at the Beach Vista's lobby. We release a steady stream of communication and the community is abuzz with activities. With updates posted on these notices, you won't miss anything from now on. It can be a community event, a missing pet, or some civil maintenance going around. Don't forget to stop by the notice board to catch up on the latest!

Rule Refresher

The festive season is here and this quarter, we bring you nine top tips on what it takes to be a good neighbour.

Be respectful of your neighbours when you throw a party. Follow the noise ordinance and keep it a minimum.

Follow proper waste disposal practices. Everyone wants a clean vicinity.

Be mindful when using common amenities. Move on once you are done.

Be a responsible pet parent by keeping them on a leash when visiting common areas. Most importantly, clean up after them.

Do not tailgate other vehicles and carry your vehicle access cards with you.

Don't obstruct corridors and common areas. This could be a hindrance if there is an emergency.

Do not overspeed inside your community. Be mindful of senior citizens, children, and strollers.

Avoid parking in front of others' parking spots.

Do not store tools, boxes, strollers, or any belongings at parking bays. It's unsightly and will be confiscated by community security.

Update your details

Have new family members living with you? Or changed your mobile number?

Avoid missing out on important news, events or campaigns by keeping your information updated.

Service fee quick guide

The community service fee is a homeowner's annual contribution towards expenses that maintain the amenities, landscaping and security of the community.

Why must I pay?

Service fee defaulters impact the ongoing maintenance of the community, administration, common area insurance, management, audit, and expenses required to run the community's common areas.

How can I pay?

- Your community portal, emaarbeachfront.ae
 - Emaar One mobile app
 - Community service fee kiosks at your community centre*
 - Set up Auto Pay on your community portal
 - Cash, card (including Amex), and cheque payments**
 - Bank transfer
- *as applicable
**Available at Customer Happiness Centre, Building 2, Emaar Square

Things to remember

- Auto Pay must be renewed at the start of every year. It is valid only for a particular year's invoicing period.
- In case of concerns over fees charges on the Mollak system (Noqodi), please pay on the portal or Emaar One mobile app.
- Payment reminders for outstanding fees are sent four days before the due date, one week and two weeks after the due date.
- Defaulters may attract an eventual case at the Rental Dispute Centre. This could slow down processes for Ejari and NOCs for sale of property.

Balcony Etiquette

Your balcony is an extension of your living space and deserves every bit of TLC you give your apartment. Here is a quick reminder to help you and your neighbours ensure a safe and peaceful experience during this season of the great outdoors.

Cigarette butts must not be thrown from windows or balconies. This poses a major risk of injury and is a fire hazard.

Garbage must go down your building chute, not the balcony. Be mindful of passerbys and your surroundings.

Your balcony is not a storage space. This is an eye sore to the community and over exposure of sunlight can damage your personal belongings.

DO NOT hang laundry on the railings or walls of your balcony. This affects the aesthetics of your building.

Satellite dishes cannot be installed in balconies. It is against the law and heavy fines from Dubai Municipality will apply.

DO NOT barbecue or smoke sheesha in your balcony. This is a fire hazard.

In case of non-compliance with the Community Rules, offenders will be issued with a Notice of Violation followed by a penalty and local authorities may be involved in the matter.

Nature Of Violation	Remedial Period	Violation Penalty (In AED)
Misuse of patios and balconies	3 days	500
Unauthorized exterior attachments	15 days	1000

Hot water savings

With the onset of cooler months, the water heaters at homes across the community will be working overtime. But here are our two cents on bringing down those extra digits in your DEWA bills.

Switch off the heater when not in use and at night. This will reduce your utility bills.

It takes only 20 mins to warm water for one shower. Switch off heaters after use.

Look out for leaks and dampness in your bathroom and shower areas. This is a classic sign of faulty water heaters. Not only can they spike your bill but is also a hazard.

Be religious about yearly maintenance. A well-maintained water heater does not use much energy.

Getting a new water heater? Opt for a solar or electric heater with a top rating of 5 or 4 stars and approved by the Emirates Authority for Standardization & Metrology (ESMA).

When on an e-scooter...

With the rise in popularity of e-scooters in town, so have the related mishaps.

They may be the easiest mode to zoom around in, but here are a few golden rules to follow when using them in your community premises.

- Riders must be 16 years or above.
- Users must wear protective helmets, knee bumpers, and reflective clothing.
- One cannot exceed 20km/hr on an e-scooter and avoid internal roads during peak hours.
- Riders must not carry anything that impacts their balance during the ride.
- Ferrying other people around is not permitted.
- Community traffic rules and road signs apply to e-scooter riders too.
- Reduce speed, stop, and allow pedestrians and strollers to pass first.
- Park e-scooters only in designated parking bays.

Failure to comply with these rules will be treated as a violation of the Federal Traffic Law.

From the Resident's Desk

Sun blazing, birds chirping, lush green spaces, lovely jogging tracks, and the lakes. We wake up to a beautiful, vibrant community - one that lives and thrives together, for yourself, your family, friends, and your pets.

But are we doing enough for the community's hygiene? Let's start with picking up after your pets. Not the most glamorous task but a worldwide survey by APPMA suggests only 40% of pet handlers pick up after their pets. This is, however, changing.

Waterbodies, alert!

Rains wash it away or it gets drained out in our sewage system. But decomposing pet waste releases excessive nutrients that give birth to algae and weed, making our lakes murky and smelly.

Pathogen harbour

Salmonella and e.coli found in pet poop can cause diarrhea, stomach cramps, and fever. Let's pick up before it's too late.

Not a fertilizer

Pets eat meat and grains, so their waste contains nitrogen that makes grass turn brown or yellow.

Cleaning up pet poop is the new law in many communities and heavy penalties are imposed if laws are not followed. Here are my top tips we can adopt to help our communities:

- Use the dog waste bins in your community provided by Emaar.
- Use a poop scooper.
- Keep an eye on the food your pets eat. Use high-quality ingredients.
- Always carry a waste bag on your pet walks or pet runs.
- Do not allow your pet to poop near lakes or any water features.
- Spread awareness amongst your fellows, family, and friends.
